The Birmingham Pledge

I believe that every person has worth as an individual.

I believe that every person is entitled to dignity and respect, regardless of race or color.

I believe that every thought and every act of racial prejudice is harmful; if it is my thought or or act, then it is harmful to me as well as to others.

Therefore, from this day forward I will strive daily to eliminate racial prejudice from thoughts and actions.

I will discourage racial prejudice by others at every opportunity.

I will treat all people with dignity and respect: and I will strive daily to honor this pledge, knowing that the world will be a better place because of my effort.

All meetings at the YCCAR office begin with the Birmingham Pledge. We hope you will find a way to join us in living this message.
